

Line Creek Figure Skating Club

Competition Fees Reimbursement Application

Skater: _____

Coach: _____

Competition: _____

Skater Competition Level: _____

Date of Expense: _____

Expense Reimbursement requested \$ _____

Please note that reimbursed competition fees are available for skaters who are Line Creek Figure Skating Club (LCFSC) home club members in good standing. A home club member in good standing means that all club fees, including fundraising requirements, are current. Reimbursement may be applied for competition fees to any United States Figure Skating (USFS) competition where the skater meets the following criteria:

- Skater must compete at the Pre-Preliminary level or above, representing LCFSC.
- The following competitions as of June 2011 are excluded: Pony Express, Omaha WinterFest, Wichita Mid Continent, Heart of America and Skate Kansas City. Please note that additional local area competitions may be excluded at the discretion of the LCFSC Board of Directors.
- The reimbursement will not exceed \$200.00 per skater, per season. This amount is not required to be utilized one competition, but can be utilized across multiple competitions. Once the \$200.00 amount is reached in a season, no further compensation for the season will be given. Season is from July 1- June 30.
- The reimbursement will be applied to competition entry fees only.
- Reimbursement must be submitted within 60-days after competition date.
- Application for reimbursement may be declined at the discretion of the LCFSC Board of Directors.
- Receipt for expenses must be attached to reimbursement application, showing competition information, dates, and expenses incurred.

By signature below you authorize that the skater is in a LCFSC home member in good standing. All requested reimbursed fees were incurred for the skater noted above and the skater competed in the noted competition. LCFSC is not held responsible for the skater, and the reimbursement is not guaranteed and is at the discretion of the LCFSC Board of Directors.
